Wedding Packages

Congratulations!!

Soulphisticate Catering works closely with you to plan the perfect menu for your special day. We handle every detail, so you and your guests can enjoy the festivities and make memories that will last forever. All of our packages include great food, professional service staff, linens, and equipment rentals. You can choose from our packages or let us create a custom menu for your special day.

*Prices are per person and do not include sales tax and service fees.

We can work with you to create a custom menu or you can choose some of the curated packages with items from our main menu.

All pricing is per person and does not include tax, server and/or service fee.

Tastings are offered for weddings over 100 guests for a fee.
